## Halloween

### Spooky Season

The Halloween celebrations at Haddington Care Home were once again a huge success. In the weeks leading up to Halloween, we took a trip to a local pumpkin patch to select our own pumpkins. We had a great time carving them, although the smell of raw pumpkin was not particularly pleasant.

The highlight of our Halloween festivities was the afternoon party we organised. We were thrilled to have children join us, all dressed up in their spooky costumes and eager to share their best Halloween jokes. It was a fun-filled afternoon that left us with wonderful memories.

## Zoolab Visit

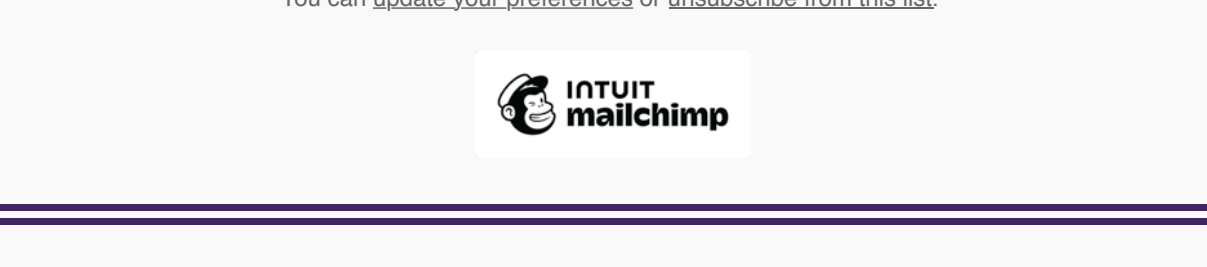

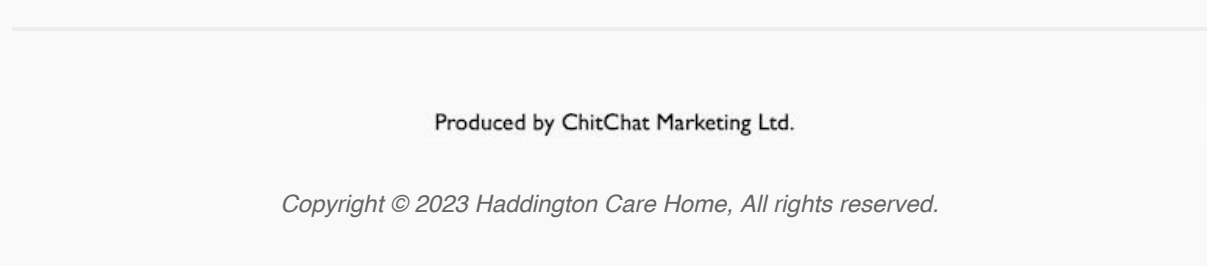

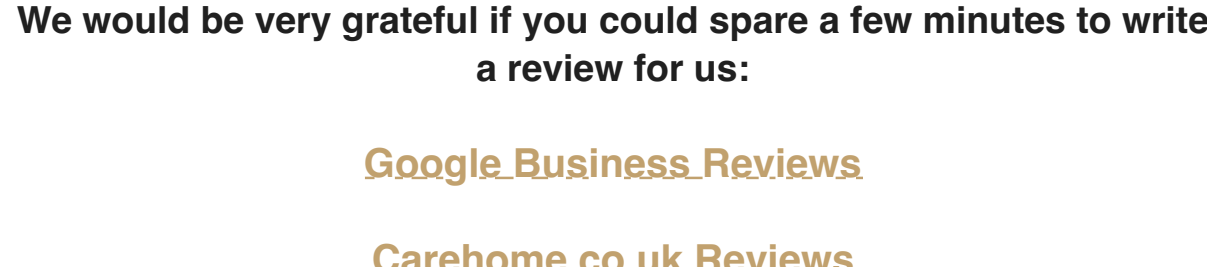

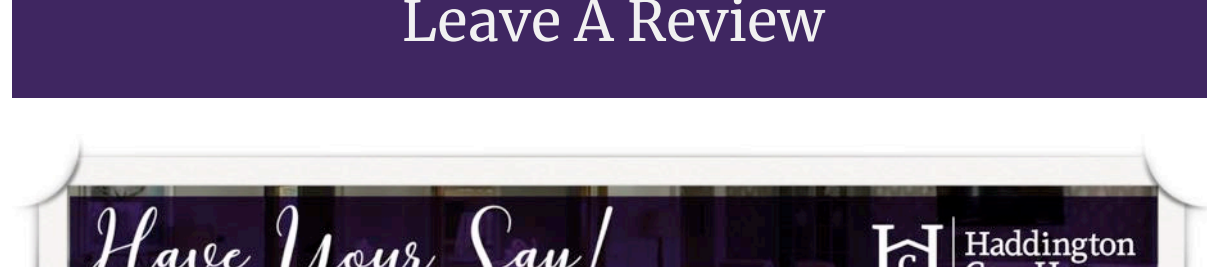

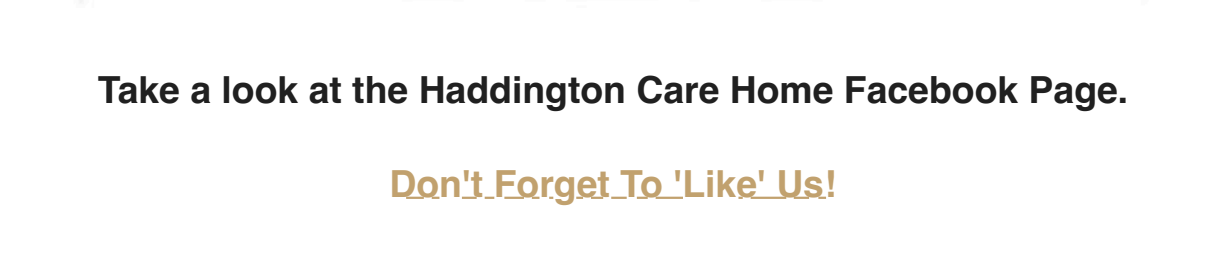

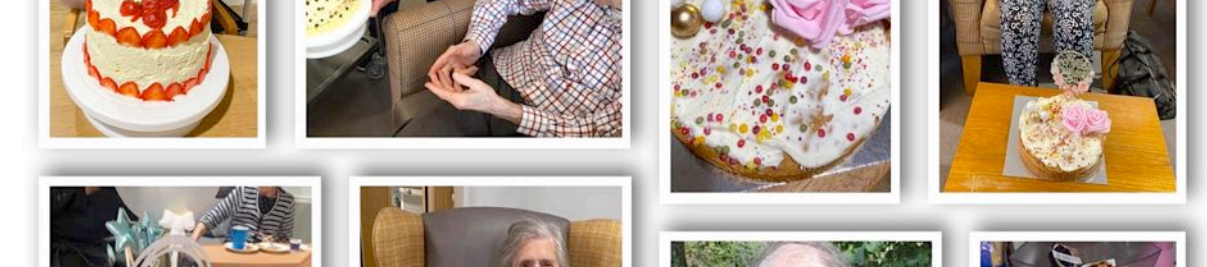

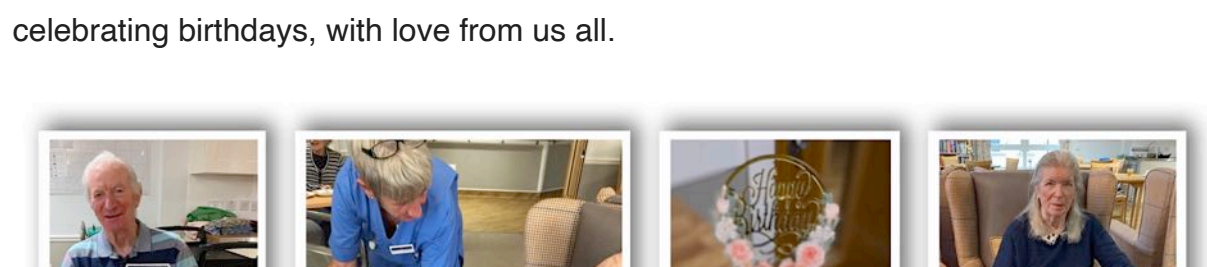

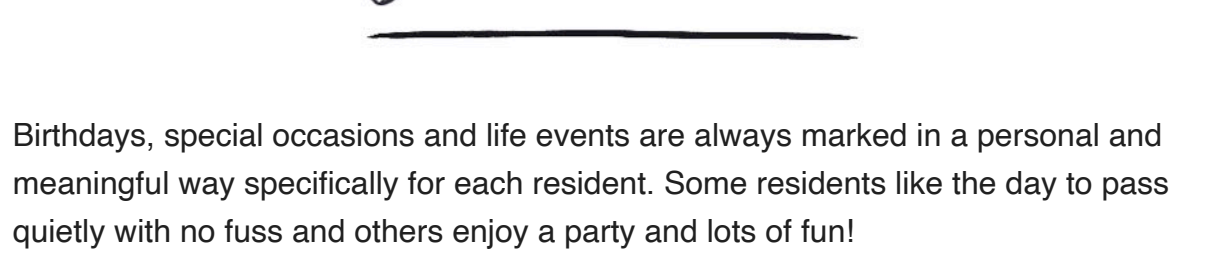

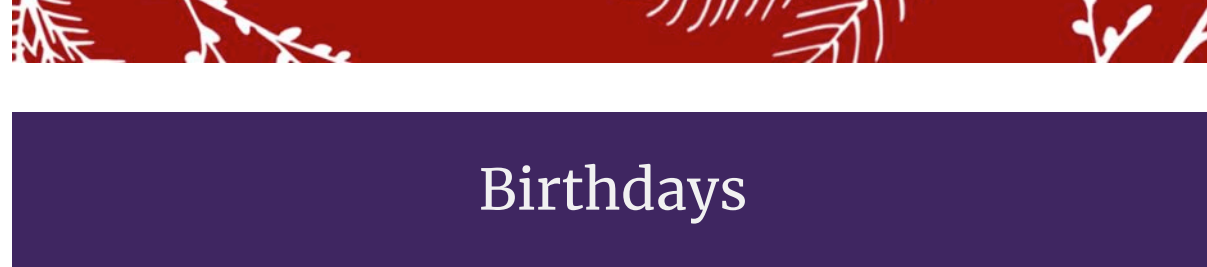

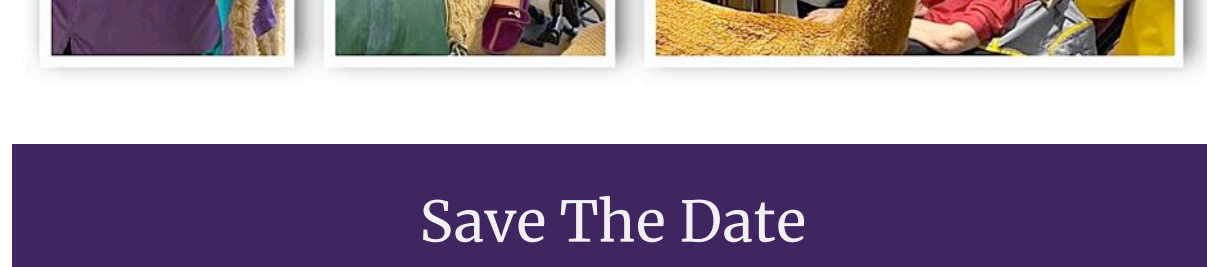

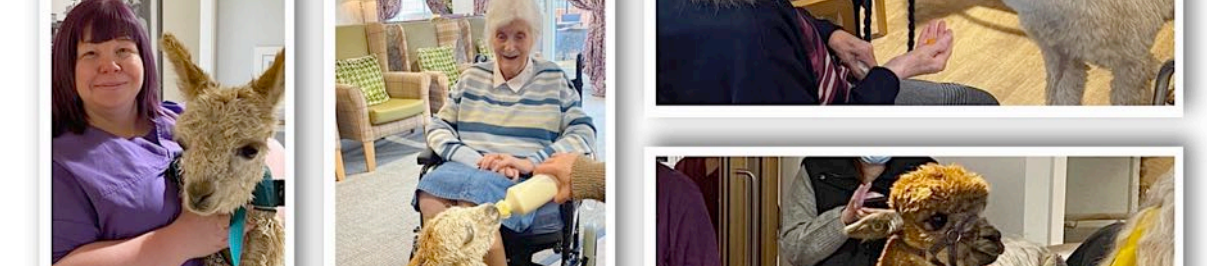

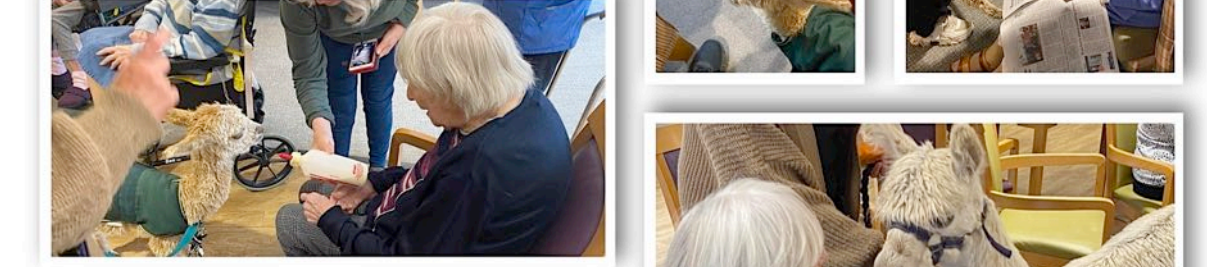

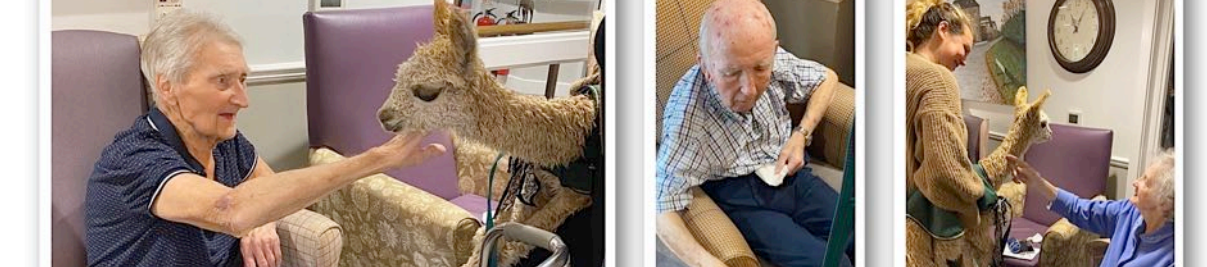

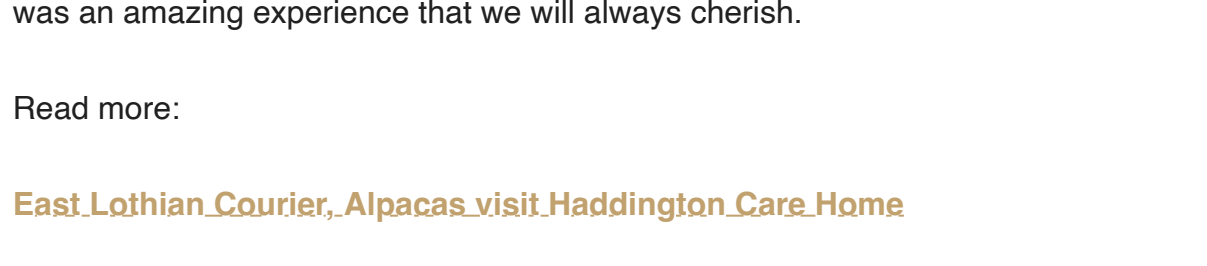

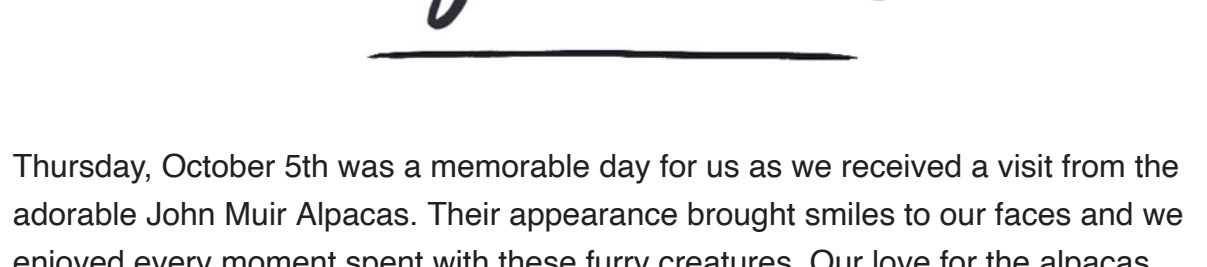

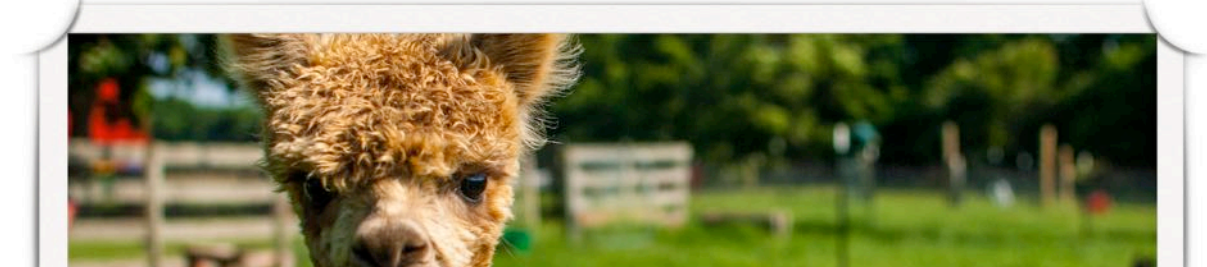

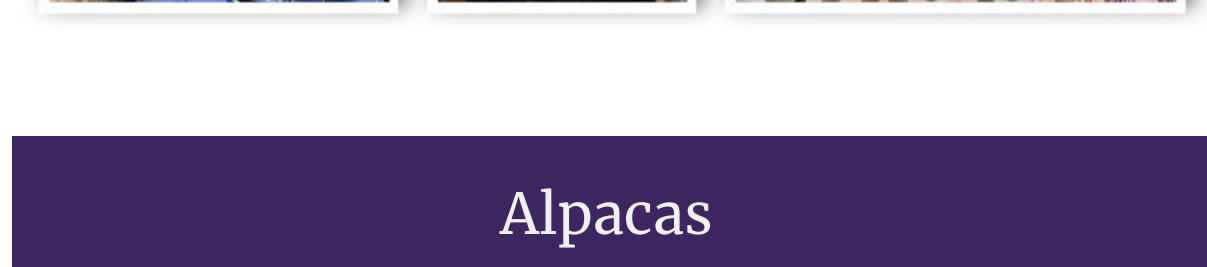

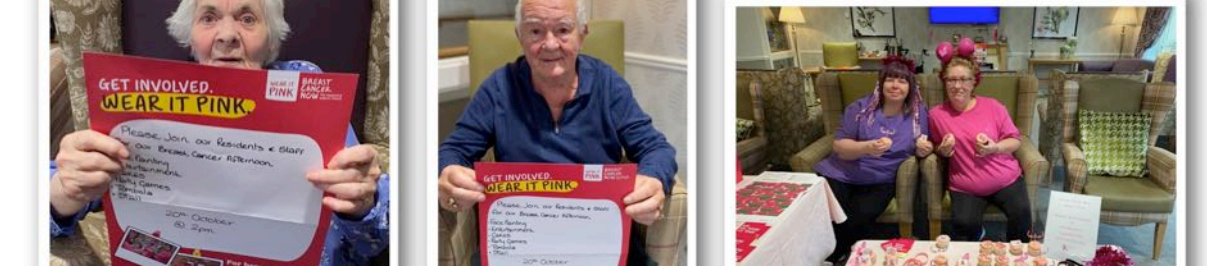

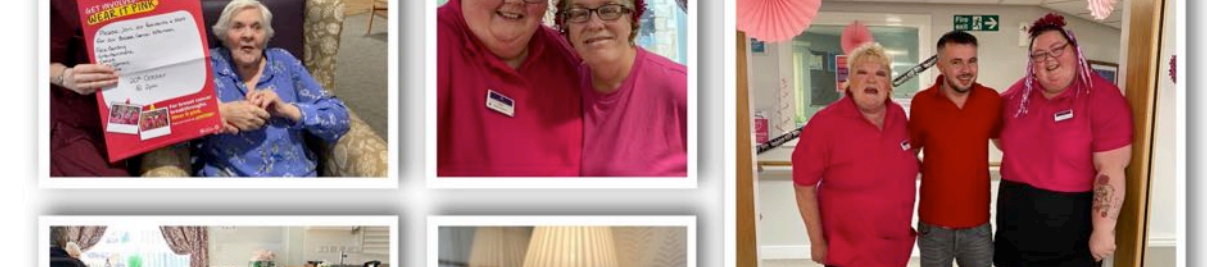

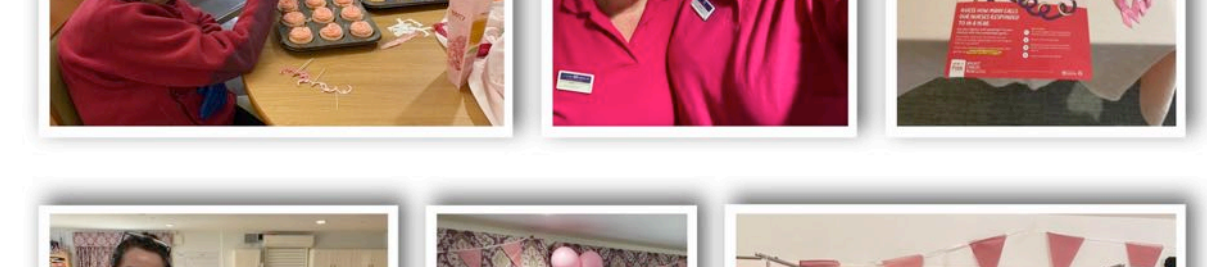

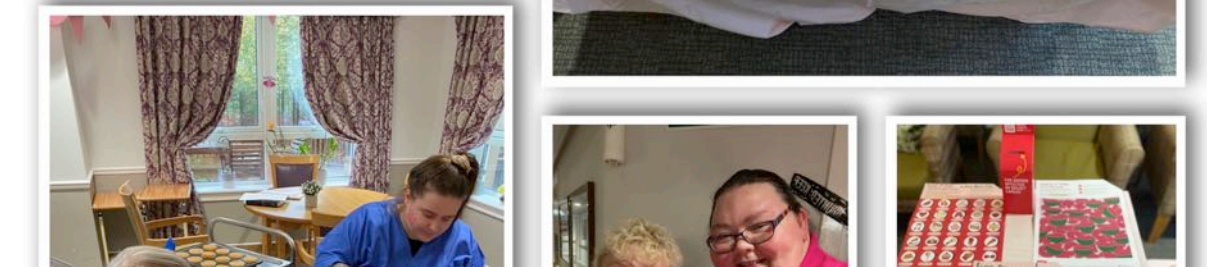

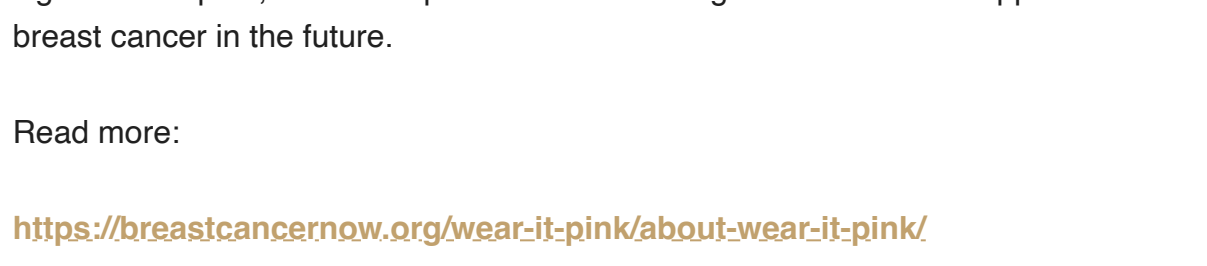

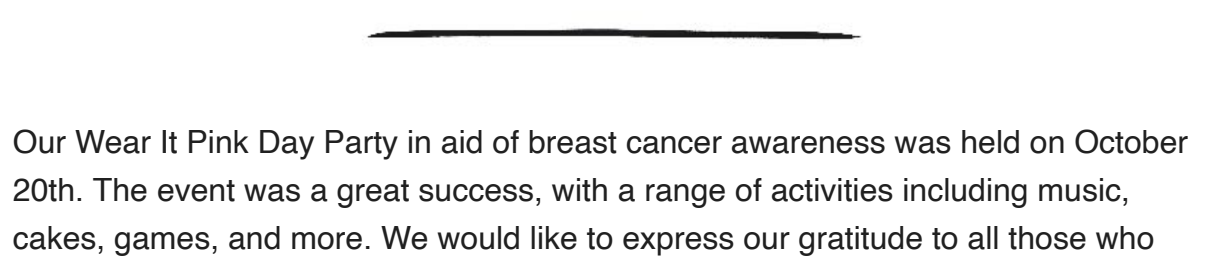

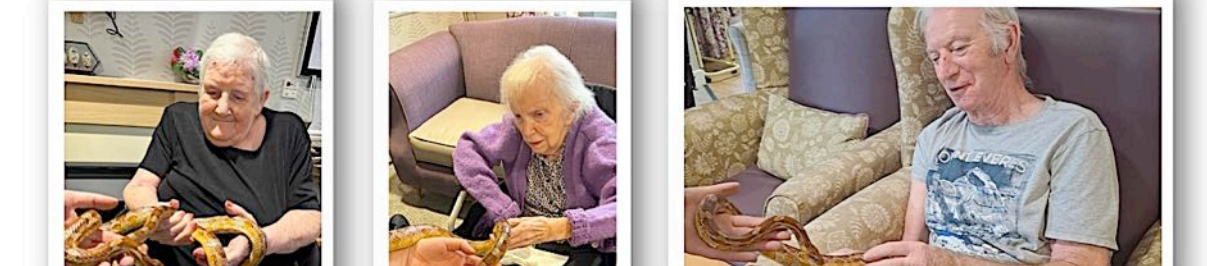

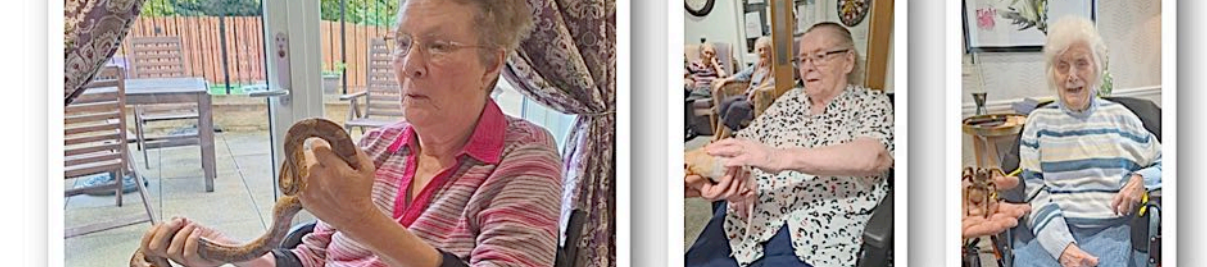

### Animal Therapy

We are incredibly grateful to Zoolab for taking the time to visit us and organise animal therapy sessions for our residents. It was heartwarming to see how much our residents enjoyed the experience and some of them even mustered up the courage to hold the animals themselves.

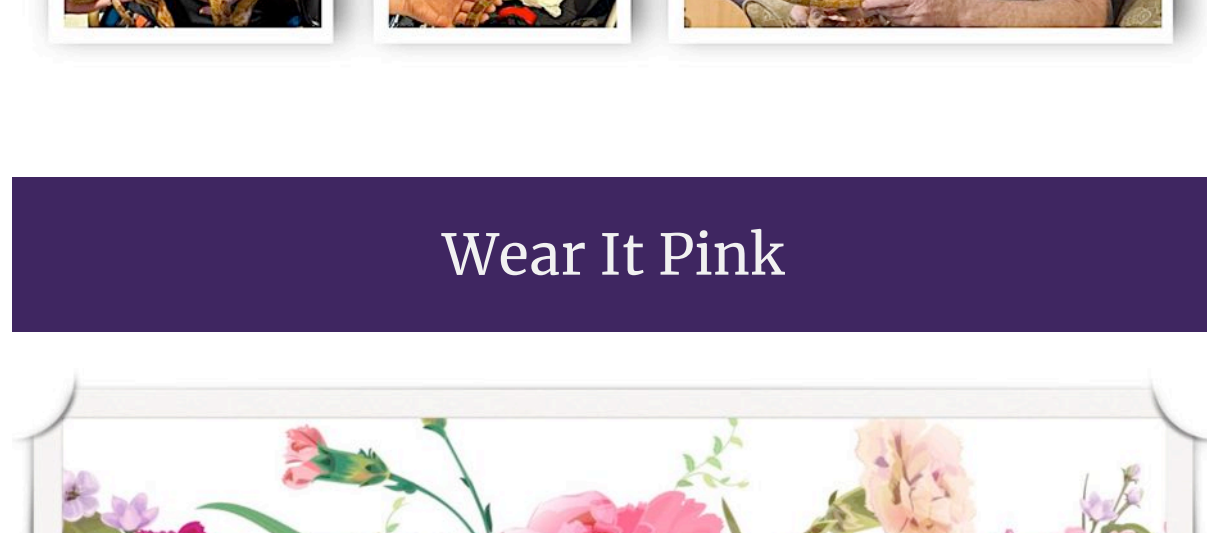

The benefits of animal therapy sessions are numerous - they help stimulate and engage individuals while promoting mental and emotional wellbeing. We are particularly grateful to Zoolab for their rewarding work in care homes for the elderly, where they make a huge difference in people's lives bringing joy and happiness to them.

Thank you once again, Zoolab, for making a positive impact in our residents' lives!

## Wear It Pink

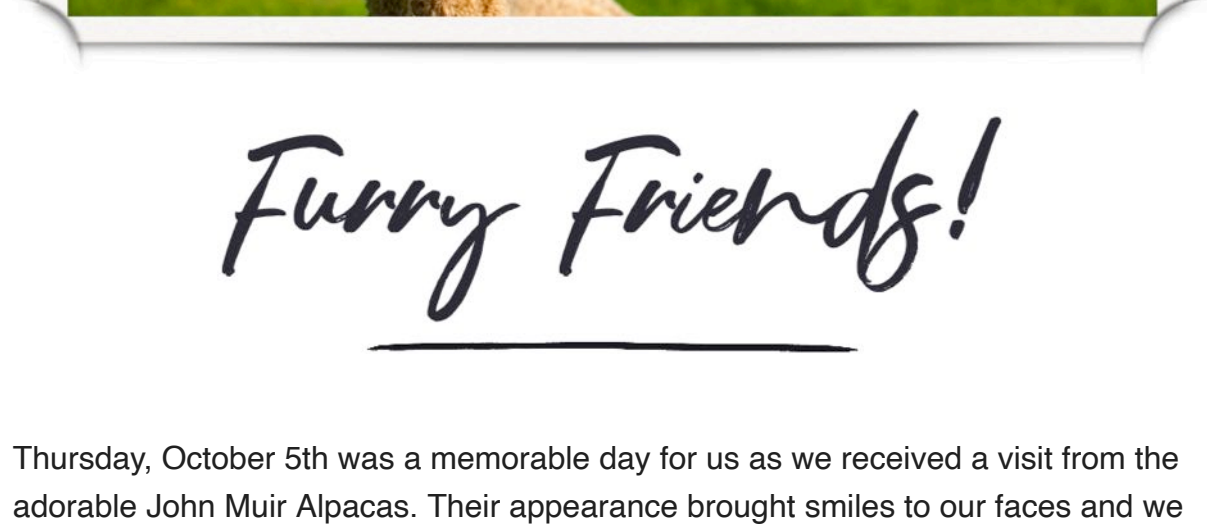

### Fundraiser

Our Wear It Pink Day Party in aid of breast cancer awareness was held on October 20th. The event was a great success, with a range of activities including music, cakes, games, and more. We would like to express our gratitude to all those who attended the event and supported such a noble cause. Your presence made a significant impact, and we hope to continue raising awareness and support for breast cancer in the future.

## Alpacas

### Furry Friends!

Thursday, October 5th was a memorable day for us as we received a visit from the adorable John Muir Alpacas. Their appearance brought smiles to our faces and we enjoyed every moment spent with these furry creatures. Our love for the alpacas was so immense that we even featured in the East Lothian Courier newspaper. It was an amazing experience that we will always cherish.
